

Effortless Fundraising

Wherever possible, the HSA seeks to raise funds for our school from pockets other than our own! Please take a moment to familiarize yourself with the many “effortless fundraising” programs that support our school, and spread the word to friends and relatives that may want to help out as well. Every little bit helps!

- Amazon Smile - You can choose SMS as your charitable organization and your purchases will benefit SMS. <http://smile.amazon.com/>
- Scrip – The Scrip program will be back during the holiday season this year! If you are planning to give gift cards at Christmas time, ordering them through Scrip will earn SMS a percentage on every card – at no additional cost!
- Box Tops and Labels for Education – Clip out Box Tops as well as Labels for Education from the many grocery items that you already purchase, and send them in with your child. We redeem them for hundreds of dollars each year!
- Stop & Shop A+ School Rewards Program – If you shop for groceries at Stop & Shop, take a moment to go online at www.stopandshop.com/aplus to designate SMS to receive credit for the purchases you make. This adds up, even if you only occasionally shop here. Important to note that you must re-enroll in this program each school year. Do it today!
- United Way - Parents who donate to United Way through their employer have the option to designate a portion or the entire amount of their donation to St. Mary School. We would be most grateful for this consideration!
- Employer Matching - Does your employer match employee’s charitable contributions? If the answer is yes, please consider making a donation to St. Mary School! If you work for such an employer, it’s a great way for your gifts to make an even bigger difference in our Blue Ribbon School.

More information and links to these programs can also be found on our school website, www.stmarybethelct.org, click on Effortless Fundraising. Thank you for participating!
